

Benedictine Sandwich
from epicurious.com

1 medium cucumber, peeled (use english or seedless cucumbers if you can find them)

2 tablespoons yellow onion (about 1/4 of a small onion)

8 ounces cream cheese

1/2 teaspoon salt

Sandwich bread

Cut cucumber in half and remove seeds using a spoon to scrape them out. Place cucumber and onion in a food processor and blend until smooth. Place in a sieve to drain off some of the liquid.

Return vegetable mixture to food processor and blend with cream cheese and salt until smooth.

Spread on bread slices to make sandwiches.
